074 (continued)

Birthday: 21
(An April Fool!)

He's an Arrogant and his blood type is B.

He's a kid whose role is Chacha's boyfriend and just at the same time.

Because he has the image that he'll be okay no matter what happens, he always gets teased and ends up in dangerous situations. Maybe because of that, he appears a bit...
He's a guy who himself know it's his winning or losing.

Shina
Shin

Birthday: I haven't thought about it
He's a Virgin right?
(for some reason!)

His blood type is AB.
At first, I was just teasing him to be someone that gets in the way of Chacha and Ryo, but as I knew more, at some point I began to think "but he cute!"

Now he has totally taken on the straight-man role for the two of them.

Don't you think that he's like the big brother out of the 3 of them?
